

The Turfgrass Society

Planned Giving Commitment Form

Join others who have made a charitable contribution to the Virginia Turfgrass Foundation (VTF) through a bequest or estate plan. Remembering the VTF through a planned gift will ensure that our programs and turfgrass research will remain viable for years to come while advancing your financial plan. A planned gift to the VTF is a gift to preserve, transform, and improve the environment. Our work, and the effect turfgrass has on the lives we touch, can be your legacy.

We would like to honor all those that have made a bequest in their will or estate plan. If you have made a commitment, please fill out the following information so we may honor your gift.
